

COLORADO PASRR: NURSING FACILITY TRANSFERS AND HOSPITALIZATIONS

Transfer from NF A to NF B	
If PASRR documentation is accurate:	If PASRR documentation is not accurate:
Transfer can occur	NF A must contact their MH OBRA for a new status change before transfer can occur
<p>Client must not be “technically discharged” from NF A.</p> <p>If admitted on a time-limited approval, a status change must be completed before transfer from NF A to NF B.</p> <p>DDD must be contacted before any DD client can be transferred.</p> <p>All PASRR documentation is sent to NF B.</p> <p>No Ascend review or authorization number is required.</p> <p>For Medicaid payment, SEP serving NF B must be contacted.</p>	

Transfer from NF A to hospital (medical or psych) return to NF A
<p>Client must not be “technically discharged” from NF A.</p> <p>NF A may readmit without new PASRR review or approval.</p> <p>No Ascend review or authorization number is required. However, if admitted originally on a time-limited approval a new Level I must be submitted to Ascend before readmitting to NF A.</p> <p>NF and hospital are responsible for ensuring resident is stable and ready to return.</p> <p>NF must call MH OBRA evaluator w/in 14 days of readmit if any Status Change has occurred (new meds, etc).</p>

Transfer from NF A to hospital (medical only) to NF B
<p>Client must not be “technically discharged” from NF A.</p> <p>NF B may admit without new PASRR review or approval.</p> <p>No Ascend review or authorization is required. However, if admitted on a time-limited approval a new Level I must be submitted to Ascend before admission to NF B.</p> <p>DDD must be contacted before any new admission of a DD client may occur.</p> <p>NF B may admit after receiving current/accurate MH PASRR doc from NF A.</p> <p>NF B must call their MH OBRA evaluator w/in 14 days of admit if any Status Change occurred during hospitalization (new meds, etc).</p> <p>For Medicaid payment, SEP serving NF B must be contacted.</p>

Transfer from NF A to hospital (psych) to NF B
Send Level I to Ascend for review
