DISCLOSURE POLICY: Everyone in a position to control the content of this educational activity will disclose to the CME provider and to attendees all relevant financial relationships with any commercial interest. They will also disclose if any pharmaceuticals or medical procedures and devices discussed are investigational or unapproved for use by the U.S. Food and Drug Administration (FDA).

Educational Objectives

Learners should be able to:

- Discuss advance directives in the context of cognitive decline.
- Describe the assessment of decisional capacity, guardianship, and surrogate decision making.
- Discuss goals of care change and medical decision making with families of patients with impaired decisional capacity.
- Recognize when to refer and how to manage neurodegenerative disorders in hospice.
- Review cancer screening, detection and management in patients with dementia.
- Identify situations when discontinuation of medications in dementia is appropriate.
- Discuss the diagnosis and management of pain in patients with dementia.
- Discuss treatment decisions in patients with advanced dementia.
- Describe Family Involvement in Care for persons with dementia.
- Identify dementia in the context of serious and persistent mental illness.

Fees

Participants must view all of the series presentations to receive the appropriate continuing education or participation credit.

Funding from the Bureau of Health Workforce of the Health Resources and Services Administration allows the 2017 Geriatric Lecture Series to be provided at no cost to all participants.

Credit

The University of Iowa Roy J. and Lucille A. Carver College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Iowa Carver College of Medicine designates this enduring material activity for a maximum of 10.0 *AMA PRA Category 1 Credits*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The University of Iowa College of Nursing is an Iowa Board of Nursing approved provider, Number 1. Full time attendance will award 12.0 contact hours for nurses.

This program awards continuing education to physicians and nurses. For **all other disciplines**, a certificate of participation will be provided at the end of the series if requested.
